

It is up to you to protect your children's lives!!

Riding double is prohibited!!

~Only in the following cases, can you ride double on a bicycle.~

(The regulation on the number of passengers does not apply to these limited cases.)

(Ordinance for Enforcement of the Road Traffic Act No.1 of Article 9)

A cyclist carrying an infant firmly secured to their back with a baby carrier.

※Do not carry an infant with front baby carriers. It hampers your ability to steer a bicycle.

A cyclist carrying a child that has not yet started elementary school in a child seat.

In Kanagawa prefecture, Only cyclists aged 16 or older carrying a child that has not yet started elementary school are allowed.

A cyclist carrying a child that has not yet started elementary school in a child seat and carrying an infant firmly secured to their back with a baby carrier.

A cyclist carrying two children that have not yet started elementary school in child seats on a bicycle especially designated to carry two children.

A bicycle especially equipped with a structure or installation to have two child seats.

You must not ride a bicycle like this!

A cyclist carrying two children that have not yet started elementary school in child seats of a bicycle, especially designated to carry two children and carrying an infant firmly secured to their back with a baby carrier.

Have your children wear helmets and follow the traffic to protect their lives!!
